

## **Telepsychology in NS (COVID-19)**

### **Important Message from NSBEP (Nova Scotia Board of Examiners in Psychology)**

For Psychologists in NB, PE and NL: The NSBEP has temporarily suspended some conditions for the provision of telehealth services into Nova Scotia by psychologists registered in the Atlantic provinces covered by the MOU. For the provision of services via telepsychology to a client located in Nova Scotia, please continue to send an email to notify NSBEP [nsbep@nsbep.org](mailto:nsbep@nsbep.org) In this email, provide your Registration Number, Jurisdiction of Registration, and Contact Information, as soon as possible.

No application fee is required. After sending your information, you may begin services with clients as soon as is necessary, there is no need to wait to receive confirmation from NSBEP before providing service. This applies to existing and new clients. For the provision of in-person services, please continue to use our existing Courtesy Register.
